

## CLAY MADDOX

Clay is a certified public accountant (CPA) in Sonora, CA. He is a graduate of Sacramento Academy. He sent his two children to MBA once they had graduated from Mother Lode Junior Academy. He and his wife, Susan, were active parents while their children were at MBA.

Clay's devotion to MBA goes far beyond parenthood. He has served on the MBA Board of Trustees since 1995 for a total to date of 19 years. In addition, he has served as chair of the MBA Finance Committee for 18 years. This, along with his ongoing commitment to the annual week-long MBA work bee, is an incredible testament to his volunteerism to MBA.

Clay also demonstrates a philanthropic spirit toward MBA that is above and beyond most of our donors. He is a faithful monthly donor. In addition, he funds some of the work bee projects. This summer, he noticed the cushions on some of the leather chairs in the library were worn. He took them home to the upholstery firm he uses, had them recovered at his own expense, and brought them back. Didn't say a word to the librarian—just snuck them back where they belonged. No fanfare—no recognition wanted.

Clay has served as the treasurer of the MBA Alumni Endowment Board, a separate 501(c)(3) non-profit organization that benefits Monterey Bay Academy. Clay has managed those funds for nearly 20 years.

As you can see, Clay's volunteer service to MBA is so commendable, his dedication and commitment to making this a better place—almost off the charts. Altogether, he definitely has made a huge impact on MBA for the past 20 years.

MBA is proud to recognize Clay Maddox for his unwavering philanthropic support of MBA—physically, mentally, and financially.
