**ROOM FURNISHINGS:** Student rooms should reflect the character and style of the student. At the same time they are to uphold MBA values by not displaying anything that devalues race, gender, religion, human life or lowers moral standards. Use 3M Command strips (no nails) to hang things on the wall. Rooms are equipped with 2 twin beds that can be bunked, 2 dressers, 2 desks, and window blinds. No additional furniture will be allowed into the dorm rooms. You may bring area rugs.

**APPLIANCES:** Dorm fridges up to 33" in height are acceptable. Hair dryers and curling irons are allowed as well as hot pots and rice cookers with an enclosed heating element. No electrical blankets, toaster ovens, coffee makers, microwaves, or hot plates with an exposed element are allowed. Each room is provided with heat, so no other heating apparatus is allowed.

**TECHNOLOGICAL DEVICES:** It is a privilege at Monterey Bay Academy for students to have electronics in their room and students should know that this privilege can be revoked at any time at the discretion of the dean. To maintain your possessions, please respect others by using headphones to keep your music to yourself and do not allow your grades to slip so you don't have to hand over your devices. Devices NOT allowed: TV's, game consoles (Xbox, Wii, etc), stereos with large speakers. All of your possessions should uphold MBA values and standards; inappropriate material is subject to confiscation.
